##### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation as Assessments.

The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed thereof, whether or not it shall be expressed in such deed, is deemed to covenant and agree to pay to the Homeowners Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as herein after provided. The annual and special assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made and may be foreclosed by the Association and a foreclosure action filed in a court of competent jurisdiction; provided, however, no such assessment shall be a lien on the land until such lien is recorded in the public records of Orange County, Florida. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessment. The assessments levied by the Homeowners Association shall be used exclusively, except as hereinafter provided in Section 11, to promote the recreation, health, safety and welfare of the residents in the properties (including necessary or appropriate professional fees) and for the improvement and maintenance of Landscape Buffers as shown on plat and any subdivision walls erected by the developer, his successor(s) in interest or the Homeowners Association.

Section 3. Assessment Allocation. Assessments shall be levied as to each Class A Lot. All Class B Lots and any vacant Lot or any lot superimposed with an unoccupied, unsold residential living unit held by a Builder shall be exempt from all assessments annual or special.

Section 4. Maximum Annual Assessment. Until January 1, 1990, the maximum annual assessment by the Homeowners Association for each Lot shall be Sixty Dollars (\$60.00) per lot.

From and after January 1, 1990, the maximum annual assessment of the Homeowners Association may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership. For purposes of this section the term "maximum assessment which could have been imposed for the previous year without a vote of the membership" means what the assessment would have been if the 5% increase had been taken every year from and after January 1, 1990. The maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of the Class A members who are voting in person or by proxy, at a meeting of the Homeowners Association duly called for this purpose. The Board of Directors may fix the annual assessments at an amount not be exceed the maximum.

Section 5. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Homeowners Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Landscape Buffers as shown on plat, including any subdivision walls, fixtures and personal property related thereto, provided that any such assessment shall have been approved by two-thirds (2/3) of each class of members who are voting in person or by proxy at a Homeowners Association meeting duly called for this purpose.

Section 6. Notice and Quorum for any Action Authorized Under Sections 4 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 5 shall be sent to all members of the Homeowners Association not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members, or of proxies of each class entitled to cast sixty percent (60%) of all the votes of each class shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent

meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) day following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate and may be collected on a monthly, quarterly, or annual basis.

Section 8. Date of Commencement of Annual Assessments: Due Date. The annual assessments provided for herein as to the Homeowners Association shall commence as to all Lots on the first day of the month following the recording of these declarations. The first annual assessments shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Homeowners Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors of the Homeowners Association. The Homeowners Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of that Association setting forth whether the assessments on a specific Lot have been paid. A properly executed Certificate of the Homeowners Association as to the status of assessments on a Lot is binding upon that Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Homeowners Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of one and a half percent (1.5%) per month. The Homeowners Association may bring an action at law against the Owner personally obligated to pay the same, or foreclosure the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of Landscape Buffers as shown on plat or abandonment of his Lot. In any action to enforce any assessment made hereunder, the prevailing party shall be entitled to a reasonable attorneys' fee, including attorneys' fees for appellate proceedings.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage made prior to recording of notice of lien. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Lot and Exterior Maintenance. In the event an Owner of any Lot in the Properties shall fail to maintain his Lot and the improvements situated thereon in a manner so as to directly affect the health or safety of other owners, the Homeowners Association, after approval by two-thirds (2/3) vote of the Board of Directors and fifteen (15) days' written notice to the Owner, shall have the right, through its agents and employees, to enter upon said parcel and to the extent reasonably necessary to protect the health or safety of other owners, to make repairs to, or clear the Lot or the exterior of the buildings and any other improvements erected thereon. The cost of such repairs or clearing shall be added to and become part of the assessment to which such Lot is subject, which shall be due and payable thirty (30) days from the date said assessment is made. Such entry thereon shall not constitute a trespass. It being provided that this section shall not apply to any lot owned by a builder during the construction of or prior to the sale and closing of any residential dwelling unit.

#### ARTICLE V

#### ARCHITECTURAL CONTROL

No building, fence, wall, or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Homeowners Association, or by an architectural control committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Prior to the date specified in Article III, Section 2, Class B, the functions herein shall be vested in the Declarant. It being provided however, such approval shall not be required or apply to any Lot or Lots owned by the Declarant or any Builder.
